FROM THE RABBI

I Get By With a Little Help From My Friends

Now we are in the middle of the Three Weeks leading up to Tisha B'Av, which commemorates the destruction of the Holy Temple in Jerusalem. The Rabbis tell us that Hashem allowed the destruction to happen because we were guilty of baseless hatred. They also warn that only by correcting our misdeed can the Temple be rebuilt.

In the time of Rome there was much division among the Jews. Hatred was rampant. The Talmud tells the story of Kamtza and Bar Kamtza, where one man's dislike for another was so great that it helped to facilitate the destruction.

This summer I have had the pleasure of seeing the remedy to this. During my illness the outpouring of love and support has been overwhelming. From the shul itself, to all of its members, to so many others throughout the community, the sentiments have been tangible. It makes recovery that much easier. These are the actions that will bring the redemption.

May we see the Beit Hamikdash rebuilt speedily in our days.

Rabbi Evan B. Rubin

FROM THE PRESIDENT

Summer Home and Some Are Not

Well here we are. It's Summertime and livin' is easy. That's where we left off in the June/July Hashomer.

"[Summertime](#)" is an [aria](#) composed in 1934 by [George Gershwin](#) for the 1935 [opera Porgy and Bess](#). The lyrics are by [DuBose Heyward](#), the author of the novel [Porgy](#) on which the opera was based, although the song is also co-credited to [Ira Gershwin](#) by [ASCAP](#).^[1] If you choose to read more about this and the origins of the music you too will discover that our heritage permeates the history of almost everything.

In August through history, I found many seemingly unrelated Jewish events. People of prominent impact were born and died and in some instances murdered. That is a sad but common occurrence of Jews throughout history. Discoveries were made. Peace was declared and freedoms were granted. The [Declaration of the rights of Man and of the Citizen](#) (French: *Déclaration des droits de l'homme et du citoyen*) was passed by France's [National Constituent Assembly](#) in August 1789. To us as Jews, it was from this important document that Jews were granted religious freedom in France. That religious freedom did not really exist during the time of the first or second Temple.

We observe Tisha B'Av this month as we mourn the destruction of the Temples. We long to return to our homeland. We do observe the event with deep introspective prayers. We try to fill the hole left by the losses sustained and we cannot move on, after more than two thousand years.

Understanding Tisha B'av is complex and complicated. It appears to some that we are stuck mourning the loss and not moving on from it. We are not seeking to understand and accept the loss of a loved one. We are seeking to replace things that were taken from us. We keep our hope alive. We don't forget what we had. We remember it. We pass it on from generation to generation. The Temple belongs to us and if and when we all return to Jerusalem, hopefully we live to see the Temple rebuilt.

This month we are rebuilding an idea that will enlarge the Jewish experience for our children at Etz Chayim. Our children and those from Congregation B'nai Israel will join together at the David S. Stone Religious School. We are doing this to provide a larger Jewish social environment for learning. It's not a Temple but a bigger brighter place for our children to learn more about our history. They will learn how, where and why Jews year after year and generation after generation continue their faith.

Thanks to the many people at Etz Chayim and Congregation B'nai Israel for seeing the need and working towards the common goal for our children.

OHR CHADASH RELIGIOUS SCHOOL

Ohr Chadash! I am so proud of the four years of religious school we had for our children at Etz Chayim. The teachers were innovative and full of energy. Their lessons, discussions and activities were relevant and meaningful to our curriculum as well as the Jewish programming for the children of each age group. We enjoyed watching the children engaged and involved in the annual Chanukah plays and the model seders. A truly memorable highlight was the Tu B'Shevat seder with our partner school in Israel, Eyal from Akko. Mazel Tov to the parents and children who were part of the Ohr Chadash consecration and confirmation classes.

Our dream and goal for Ohr Chadash was a success. The children were actively involved in this Jewish experience. Classes at Etz Chayim were important because of the connection between Jewish learning and the synagogue. I was so fortunate to work with outstanding clergy and teachers throughout the years. I must say a huge thank you to Rabbi Bienenfeld, Sarah Bienenfeld, Morah Ellen Friedman, Morah Phyllis Wittenberg, Rabbi Evan Rubin, Megan Vandyke, Gina Black, Allie Berns, Sharon Lapitsky, Phyllis Walkin, Cindy Becker and Rabbi Yaakov Lasson for their dedication & hard work. It was a pleasure and an honor to work with all of you. Also, thank you to Elsa and Sandy for their time and support during the four years as well as Marcia Grossman and her volunteers for all their help with all the food needed for the programs.

Bobby & Margie: I can't thank you enough for your administrative support and guidance throughout the four years. You believed in me as I accepted the challenge of becoming principal. I enjoyed and loved my experience at Ohr Chadash.

Now we will end one chapter and begin a new one as we join with the David S. Stone Religious School of Congregation B'nai Israel. We will be forming one school with the clergy, teachers and children coming together from both synagogues. We want our focus to excite and enrich the Jewish learning, activities and socialization with all the children joined together.

Our Ohr Chadash family at Etz Chayim is very special. Thank you for being a part of our school and for your support throughout the years. Continue to bring your children to holiday services, classes and programs. Let's continue to inspire a love of Judaism in each of our children.

Warm regards,

Nancy Jacobson

DAVID S. STONE RELIGIOUS SCHOOL

We look forward to another great school year at the David S. Stone Religious School. We are pleased and excited to welcome our eleven friends from Congregation Etz Chayim to the David S. Stone Religious School. August 28th is our first day of class and the welcome breakfast. Please mark your calendar and plan on attending as we would like to extend a warm welcome to our new students and to Megan Van Dyke and Rabbi Evan Rubin, both great additions to our teaching staff. Megan Van Dyke will be teaching the parent/child class for ages three and under, as well as teaching art. Rabbi Rubin will teach portions of the B'nai Mitzvah class, as well as portions of the 8th grade class. Sharon Lapitsky will teach a two month unit to our 8th graders as well. Our 8th graders, as well as 10th graders are fortunate that Rabbi Sokobin will be teaching some classes as well.

Many joint projects will take place throughout the school year with our friends from Shomer Emunim as well. Some programs including baking hamantashen and bringing to residents of Kingston, helping at the food bank, community agency day and more. A very special joint program with all Toledo Religious Schools is planned for October 9th for grades 6-10. They will have a program with a lone soldier coming in from the Cleveland area who will share information with the students about the Lone Soldier program. A joint taschlich program will also take place from 9:30-10:00, prior to the Lone Soldier program.

We are thrilled to offer our parent /tot program again this year. There will be an exciting curriculum focused on holidays, Hebrew and Judaics. There is no charge and open to children ages 3 and under accompanied with a parent. See calendar for details and contact KBrody@cbitoledo.org if you are interested and able to attend.

Please see Religious School calendar on the following page for more details.

BAR MITZVAH - ARI MATEO ZEITER

Ari Zeiter will be called to the Torah on Saturday, September 3, 2016 at Congregation Etz Chayim. He will be celebrating his special day with his parents Camille & Shawn Zeiter, brother Antonio and sister Isabel as well as grandparents Ruth & Ken Mitzner of Oceanside, California and Dolores Zeiter of Maumee, Ohio.

Ari attended the Hebrew Academy for three years and this year he will be in the eighth grade at Maumee Valley Country Day School. He attended Yad B'Yad Religious School and Ohr Chadash through seventh grade. This past year he has studied intensively with Rabbi Rubin in preparation for his Bar Mitzvah.

Ari enjoys spending time with his family and his pet cat, Dimitri. In addition he loves to play soccer. He also volunteers at Nature's Nursery in the area of wildlife rehabilitation.

We wish Ari the very best as he ascends "*MaChayil El Chayil*" - from strength to strength. May he always be a blessing to his family and the people of Israel.

THE PROGRAMMING PAGE AUGUST, 2016

As we enter the dog days of summer, we observe the Fast Days of the 17th of Tammuz & Tisha B'av - commemorating the loss of the two Temples, as well as other tragedies in Jewish History. The Temples represented increased spirituality and intense connection to Gd, something we miss nowadays.

Let's take a moment during these days to yearn for the return of the third and Final Temple. Indeed, we are taught that precisely those who mourn the Temple's loss will merit the joy of seeing the third one being constructed.

From **2:30 - 4:00 P.M.** on **Tisha B'av day, Sunday August 14th**, please join us for Mincha services followed by programming, including a media presentation reflecting the somber, yet hopeful mood of the day.

1. Sunday, August 7, 2016 at 10:00 a.m.—Aaron Leeper, a former Toledoan is now living in Be'er Sheva, Israel. He is a naturalist and has expertise in many fields, including biology and animal life. He holds a Masters degree in Biology from Ben-Gurion University and is studying to become a licensed Israeli tour guide. By way of skype, he will be discussing - "*Israel, Naturally: "Birds, Bees, Flowers and Trees"*". Everyone is invited. There is no charge for this program.
2. Thursday, August 11, 2016 - 7:30 p.m.—Rabbi Rod Glowgower, Rabbi of Hillel in Ann Arbor, MI will be returning to Etz Chayim to speak on the topic of "*Infamous & Unfortunate Episodes in the Era of the Second Temple Destruction*". This will be a pre-Tisha B'Av topic and discussion. Refreshments will be served.

A HEARTFELT THANK YOU

At the time of this printing, the final touches are being made to the annual Yizkor Book, *In Loving Memory*. This project which started in 2001 has become one of the largest fundraisers for Congregation Etz Chayim.

Not only do we thank the many donors who memorialize their loved ones each year, we gratefully acknowledge the many underwriters who so generously help to minimize the costs of printing the book and the mailings.

Each year a generous family comes forward to honor an individual or family members or memorialize an individual or family members to help defray the cost of the book.

A list of underwriters is included in each year's published Yizkor Book, but it is important to recognize these wonderful individuals/families who so generously help support the synagogue with this project.

Listed below are the underwriters from 2001 through this year, 2016. If anyone would like to consider underwriting the Yizkor Book next year, please contact Elsa Leveton in the synagogue office.
